SCRIP TALK ..as time and space permits....The current issue of "Culture and History" (Vol. 2 - No. 1) published by the State of West Virginia includes an article on a donation of a large scrip collection to the State Museum.. "The Shonk Land Company, Limited Partnership of Charleston, develope from a coal business started in 1869. Recent owners amassed a large scrip collection of more than three thousand pieces representing seven hundred West Virginia business locations. During a special presentation to Governor Arch A. Moore, Jr., on May 17, 1985, the collection was donated by the company to the State Museum, the Department of Culture and History. This extensive donation adds a complementary dimension to the department's coin and currency collection and enhances the State Museum's collection of previously donated scrip. The article also notes that those dinterested in having coal industry related artifacts considered for donation should call: (304) 348-0230.

President Crawford Blakeman has noted that Scriptor Bill Williams has been appointed to be the AUCTION COORDINATOR for the Floor Auction to be held at the May 1986 National Convention. Details on sending in your auction items will be found in another section of this issue of "SCRIP TALK" ..

# SCRIP TALK

AS TIME AND SPACE PERMITS....The request for additional information on a token from E.M. Curry, Macneer, WV brought the following replies: An E. M. Curry is listed as a Vice-President of "BRAS D'OR COAL CO. LTD, Bra D'or Novia Scotia, Canada" in the 1951 issue of KEYSTONE...any connection with WV?? Too, Scriptor Al Zaika notes that the 1921 Dun Directory lists only one business in Macneer - No. Five Block Coal Co. He notes that E. M. Curry must have been in business there at a later date. Since it was a very small town, the token must have had some relationship to coal...Additional research welcomed....SCRIPTOR BOB KIRK notes that he has a token from a TONY CRIST at the same location....SCRIPTOR JOE COPELAND has forwarded an interesting article from the CHATTANOOGA TIMES of March 18, 1984 on Labor Leader Florence Reece who then was age 83. She composed the song "Which Side Are You On" which was the anthem of mining and of the American labor movement. One verse was "They say in Harlan County, There are no neutrals there; You'll either be a union man, Or a thug for J. H. Blair. Which side are you on? Which side are you on? Mrs. Reece grew up in a coal camp at Fork Ridge, Tn.....SCRIPTOR LOWELL BROCK of Harrogate, TN inquires about getting in touch with those who publish "The Lamp Post" which includes information on mine lamps. Can anyone help??....SCRIPTOR MAKR BALLARD has forwarded a copy of article from the Carbondale, Illinois paper of Sept. 18, 1985. This article features a large photo of Ballard and his collection of UMWA delegate badges and gives details on the annual KING COAL FESTIVAL . It notes that sticker swaps are apart of the big show and that Ballard was instrumental in organizing the event.....scriptor charles Hass and others noted that the article on The Company Store in a past issue was one of the best ever printed in SCRIP TALK....SCRIPTOR WM: DAVID MULLINS notes that we should include a FREE AD on the scrip catalogs in each listing. Are you listening, Scriptor Ratliff?....SCRIPTOR L. R. LITTLETON, MD of Jefferson, NC forwarded an interesting letter on his experiences in how merchants redeemed the scrip that they had exchanged for cash from miners in the St. Charles, Virginia area in the 1940's. He notes that the scrip was junk back then and had no collector interest or use outside of the coal fields. He was the company doctor for Kemmerer Gem and Blue Diamond - Monarch Mines. He noted that the miner got 80¢ on the dollar and others could buy scrip for 90¢ on the dollar and go to the company store to buy merchandise. he notes that if he wanted \$100 in Kemmerer Gem scrip he could go to many stores in the area and buy it at the 10% discount price....SCRIPTOR PAGE MANN notes that he attended the ANA show in Baltimore recently. He also attended the Virginia Numismatic meeting in Natural Bridge, Virginia and was elected to the Board of Directors....SCRIPTOR O.D. HARTMAN of Roanoke, Va. notes that he joined NSCA for information on mine lamps and he has several collector friends that he wants to get signed up in NSCA. As noted in another section of this issue, we hope to have more articles shortly from Paul Kounts. Too, John Podgurski and Mark Ballard are working on some articles on mine lamps....SCRIPTOR STUART E. BROWN, JR. forwards material on an exchange of letters with Professor Richard Timberlake, Jr. relating to research papers that he is doing concerning how scrip was used as money.....\*\*\*\*\*

FINAL ISSUE FOR MANY NSCA MEMBERS !! If your mailing label carries a date of 12/85 in the upper right corner of label, this will be your last issue of "SCRIP TALK" . Better rush your \$10.00 dues today to keep your name on the mailing list !! Because of high printing and postage costs, we cannot continue to send the bulletin if your dues are not paid....Too, remember that a new MEMBERSHIP ROSTER is to be published in February of 1986 and only those current in dues will have their names listed !!

## CATALOG COMMITTEE REPORT

Two days after Christmas, we returned the \$2,600.00 which thirteen members had loaned to enable us to print the 2nd Edition of the Edkins Catalog. With this payment, all of the preparation costs, all of the printing costs, the loans from members, and 58% of the TAMS loan have been paid, and we still have a balance of \$2,101.90. We still owe 42% of the TAMS original loan to a member who made a personal loan to the Committee of \$2,100.00 so that the TAMS \$5,000.00 loan could be repaid in a timely manner. In addition, the Chairman still has outstanding expenses of \$729.32 for three trips to Framingham, MA and other incidentals. Our total debt is \$2,829.32. We, therefore are starting 1986 with a negative balance of \$727.42. We need to sell 32 Bound copies to get out of debt, after paying the postage charges.

As of January 1, 1986, we have sold and received payment for 357 bound copies, 49 loose leaf and 25 Special copies of Vol I, and 221 bound copies, 31 loose leaf and 25 Special copies of Vol II. This is a total of 708 copies of the 2,000 we had printed.

Mark Ballard needs help with the Membership Campaign and the Catalog Committee needs help with financing. It looks as if the logical solution is for each of us to sign up new members and to sell them the Edkins Catalog. With the dues of \$10.00 and the catalog at \$24.00, YOU only have to collect \$34.00. If the new members are signed before mid-February, their names will be included in the new membership listing which is being prepared. SO, HOW ABOUT IT NSCA MEMBERS. Will you help the Association by getting a new member and selling a book real soon? ? ?

## OTHER NEWS FROM THE CATALOG COMMITTEE

On November 30, Mike and Bill Williams made a trip to Framingham, MA to pick up a file cabinet full of FOILS and all of the reference material which Don Edkins used in his cataloging activities. NSCA purchased the material from Don to assist the Catalog Committee in carrying out their activities.

The trip was uneventful, except that it did snow one night after we had checked into the Motel. It did not stick and was slushy by 9:30 the next morning. Lucky ! ! ! Especially since we were pulling a trailer.

Don and Edie both are in good health and spirits. Don has been doing a lot of Bay fishing since returning from his Maine cabin. He and Edie are going to Williamsburg, VA soon to visit his daughters and grandchildren.

Mr. Walter Caldwell, Editor  
"Scrip Talk"  
P. O. Box 29  
Fayetteville, WV 25840

Dear Mr. Caldwell,

Thank you so much for the complimentary copy of "Scrip Talk." This will provide us with information on the collectors and collection of scrip. While we have no acquisition budget, we can check the listings to see what is being offered that we do not have. Possibly we can appeal to a benefactor-donor to purchase for the State Museum's Scrip Collection or to the seller to donate for tax write-off if they fail to receive purchase price desired. Any suggestions or assistance you can offer to enable us to obtain valuable pieces of scrip missing from your state's collections would be appreciated.

While on this same note of begging for help in building our collections, we are interested in acquiring other coal and lumber company historical materials relating to these industries, company towns, company stores, and the equipment and paper relating to the manufacture and transacting of scrip. If you and other scrip collectors become aware of items such as these, we would appreciate your contacting us and providing any assistance you can to enable us to attempt to obtain them for the collections.

We again thank you and the National Scrip Collector's Association for sending the complimentary copy of "Scrip Talk." We hope that you will be able to continue to keep us on your mailing list.

Sincerely,

*Fredrick H Armstrong*

**MAY MEETING SCRIP AUCTION**

In order to be able to publish a list of the items to be auctioned at the May '86 meeting, we are making an appeal for good scrip to list in SCRIP TALK. It is not too early, because we need to publish the listing in an early edition in order to give members who can not attend the meeting an opportunity to place bids.

Therefore, if you have scrip you can make available for the Auction, send either the scrip or a listing of what you have to the Auction Committee at PO Box 3015, Oak Ridge, TN, 37830. We would like to have pieces that carry a rating of R7 or higher, but may be able to use other if it is relatively scarce.

Also, we need several good lumber pieces.

Please let us hear from you as soon as possible. We hope to be able to list 50 or more pieces.
